

שינוי סיסמא ברשת לימודית

1. Press CTRL+ALT+DEL to bring up the Windows Security dialog box.

2. Press the Change Password button.
3. Enter the User name whose password you wish to change.
4. In the From dialog box, click either the computer name or domain ([college_tec](#): הדומיין שלנו) name in the drop-down list box, or type the computer name or domain name that contains the User Account Database where the user name exists.

5. Type the appropriate password in the Old Password, New Password, and Confirm New Password box.

You should receive a message indicating "Your password has been changed."
